## BY-THE-NUMBERS

At WISER, girls overcome the barriers that threaten their education, health, and empowerment.

---

They also overcome the odds.

**100%** of WISER girls graduate

**90%** of WISER girls attend college or university

WISER is ranked in the **top 1%** of schools in its region

**0%** of WISER girls drop out due to pregnancy

WISER has trained over **800 youth** in Muhuru Bay in sexual and reproductive health

Our water system provides clean drinking water to **5,000 people** in the community

**60%** of WISER girls each year earn fully-funded government scholarships for university attendance

WISER was the **#1 girls' school** out of 360 schools in the 2017 National Science & Engineering Fair

WISER has already reached 2,500 girls through health, education, and outreach programs.
